

REMARKS

When reviewing the application in preparation for payment of the issue fee, it was noted that one antecedent error appears in claim 2. The proposed amendment intends to cure these errors and does not raise any new issues requiring further examination or detailed consideration.

The amendment to claim 2 provides proper antecedent basis to the term "printed" in claim 2.

Entry of the amendment is requested before the application proceeds to issuance.

If any issues remain that may be resolved by a telephone or facsimile communication with the applicants' attorney, the examiner is invited to contact the undersigned at the numbers shown below.
